

I am looking for a very special person to part loan/share my horse. Due to long term back problems I am no longer able to ride. I own a 17.2hh 12 yr old ID/TB gelding, who is a talented dressage horse, previously competed at Novice/Medium level and has been trained by Cathy Burrell, a reputable international dressage rider and trainer. (Lowmoor) Dudley is not a novice ride but has a loving personality and just needs a rider and a job to do, he is currently being ridden occasionally by my daughter but she is not interested in Dressage and has college commitments. This super horse has previously evented to Intermediate level and completed Blair Castle CCI*. He then had a successful dressage career with many placings. He amassed 34 points in only a few outings and qualified for the Winter Semi-Finals 2010 at Elementary level and was been placed in his first 3 classes at medium level. I will not sell this horse ever but he is too good and too young to retire due to my back problems. If there is someone out there who enjoys schooling and wants to have some fun competing in dressage then he could be the right horse. He is to stay at his current yard near Crockey Hill, York (a flood lit all weather arena is available at the yard year round) and I am looking for a contribution of £50 per month towards the cost of his livery/shoes etc. (negotiable to the right person) Please note I do need someone who will be totally reliable and committed to this special boy. If anyone is interested, please call me on 07985 142929 or e.mail at lollyd@tiscali.co.uk for a chat.
